For the purpose of meeting and negotiating, the Board recognizes the Oroville Secondary Teachers' Association/California Teachers' Association/National Education Association as the exclusive representative for "a unit of all certificated regular day school and full time adult school employees and excludes confidential and supervisory employees," as defined in Act (Section 3450.1) – e.g. Superintendent, Assistant Superintendents, Principals, Assistant Principals and District Psychologists. Articles VII, VIII, X, and XI do not apply to adult education bargaining unit members. All other articles of this Agreement shall apply to adult education bargaining unit employees.

**ARTICLE II A
NON-DISCRIMINATION**

All articles and provisions of this agreement shall be applied equally to all unit members. No unit member shall be discriminated against due to race, religion, disability, sexual orientation, gender, nationality, creed or participation in Association activities.

**ARTICLE III
MAINTENANCE OF BENEFITS**

The Board shall not reduce or eliminate any current provisions, Board policies, and/or rules and regulations within the scope of representation as defined by Chapter 10.7 Section 3543.2 of the Government Code provided unit members as of the effective date of this Agreement, unless otherwise provided by the express terms of this Agreement.

**ARTICLE IV
NEGOTIATION PROCEDURE**

1. No later than the first Board meeting in February of each calendar year, both parties will have submitted their initial proposal for public input. No later than March 1 of each calendar year, both parties shall meet and negotiate in good faith. Any agreement reached between the parties shall be reduced to writing and signed by them. Such agreement shall be binding upon both parties.
2. The Board and the Association may discharge their respective duties by means of authorized officers, individuals, representatives or committees.
3. Either party may utilize the services of outside consultants to assist in the negotiations.
4. The Board shall furnish the Association, upon request, with a copy of all County and State required reports, as well as copies of all budgetary and any other information that the Board or the Administration has which are necessary for the Association to fulfill its role as the exclusive bargaining representative.
5. Negotiations shall occur within five (5) working days of a written request for a meeting by either party at a mutually agreeable time and place.

- A. Items under negotiation which have been rejected by the Board shall be communicated with the Board's reason(s) for such rejection, to the Association's bargaining team, and vice versa.
 - B. Upon receipt of same, both parties have an obligation to review and reassess in good faith all available information and to seek additional information, if needed, in an effort to arrive at a mutually-acceptable decision.
- 6. The District shall provide substitutes for five (5) representatives of the Association's bargaining team, without loss of compensation, to attend negotiations, impasse proceedings, and fact-finding hearings.
 - 7. The parties may mutually agree to negotiate any matter using interest-based bargaining (IBB) during the term of this Agreement.

**ARTICLE V
REPRESENTATION FEE**

- 1. Any unit member who is not a member of the Association, or who does not make application for membership within 30 days of the effective date of this Agreement, or within 30 days from the date of commencement of assigned duties within the bargaining unit, shall become a member of the Association or pay to the Association a fee in an amount equal to membership dues, initiation fees and general assessments, payable to the Association in one lump-sum cash payment in the same manner as required for the payment of membership dues. In the event that a unit member does not pay such fee directly to the Association, the Association shall so inform the Employer, and the Employer shall immediately begin automatic payroll deduction as provided in Education Code Section 45061 and in the same manner as set forth in this Article. There shall be no charge to the Association for such mandatory agency fee deductions.
- 2. Any unit member who is a member of a religious body whose traditional tenets or teachings include objections to joining or financially supporting employee organizations shall not be required to join or financially support the Association as a condition of employment; except that such unit member shall pay, in lieu of a service fee, sums equal to such service fee to one of the following non-religious, non-labor organization, charitable funds exempt from taxation under Section 501 (c)(3) of Title 26 of the Internal Revenue Code:
 - A. Society for the Prevention of Cruelty to Animals, Oroville, CA
 - B. American Red Cross
 - C. United Way
- 3. To receive a religious exemption, the unit member must submit a detailed written statement establishing the basis for the religious exemption. The Association executive board shall communicate in writing to the unit member its acceptance or rejection of the exemption. If accepted, the unit member shall make the payment to an appropriate charity as described above. Such payment shall be made on or before the due date for cash dues/fees for each school year.

4. Proof of payment shall be made on an annual basis to the Association and Employer as a condition of continued exemption from the payment of agency fee. Proof of payment shall be in the form of receipts and/or canceled checks indicating the amount paid, date of payment, and to whom payment in lieu of the service fee has been made. No in-kind services may be received for payments, nor may the payment be in a form other than money such as the donation of used items. Such proof shall be presented on or before the due date for each dues/fees for each school year.
5. Any unit members making payments as set forth in sections above, and who requests that the grievance or arbitration provisions of this Agreement be used in her or his behalf, shall be responsible for paying the reasonable cost of using said grievance or arbitration procedures.
6. With respect to all sums deducted by the Employer pursuant to sections above, whether for membership dues or agency fee, the Employer agrees to remit such moneys promptly to the Association accompanied by an alphabetical list of unit members for whom such deductions have been made, categorizing them as to membership or non-membership in the Association, and indicating any changes in personnel from the list previously furnished.
7. The Association and Employer agree to furnish to each other any information needed to fulfill the provisions of this Article.

ARTICLE VI GRIEVANCE PROCEDURES

1. DEFINITIONS

- A. **Grievance:** A grievance is a claim by one or more unit members that there has been a violation, misinterpretation or misapplication of a provision of this Agreement. A grievance must be filed at Level One of the formal level within fifteen (15) days of the date the grievant knew, or reasonably should have known, about the occurrence of the alleged grievance.
- B. **Conferee:** A conferee is a fellow employee, department head, supervisory administrator, employee organization representative or legal counsel.
- C. **Grievant:** A grievant may be any unit member, employee, group of unit members or the Association of the District covered by the terms of this Agreement.
- D. **Day:** A day is any workday for the unit member.
- E. **Grievance Form:** A grievance form is a mutually acceptable form developed by both parties to this contract.
- F. **Party:** A party is the District, the grievant or their designated representatives.

2. INFORMAL LEVEL

Before filing a formal written grievance, the grievant should attempt to resolve it by an informal conference with his/her principal or immediate supervisor.

3. FORMAL LEVEL

A. **Level One:** If a satisfactory solution is not achieved at the informal level, the grievant may, within ten (10) days after the informal conference, present his/her grievances on the appropriate grievance form to his/her principal or supervisor. The form shall provide for the following information: A clear, concise statement of the grievance, the circumstances and people involved, the specific article, section or clause of the agreement allegedly violated, the decision rendered at the informal conference, and the specific remedy sought.

1) The principal or supervisor shall communicate his/her decision to the employee in writing within five (5) days after receiving the grievance. If the principal/supervisor does not respond within the time limit, the grievant may appeal to the next level. Within the above limits, either party may request and shall be granted a personal conference. Either party may request the presence of one conferee.

B. **Level Two:** If the grievant is not satisfied with the decision at Level One, he may within ten (10) days appeal the decision in writing to the District Superintendent. The written appeal request shall include a copy of the original grievance, the decisions rendered, and a clear, concise statement of the reasons for the appeal. The District Superintendent shall communicate his decision to the grievant within ten (10) days. If the Superintendent does not respond within the time limits provided, the grievant may appeal to the next level. Within the above time limits, either party may request and shall be granted a personal conference. Either party may request the presence of one conferee.

C. **Level Three:** If not satisfied with the decision at Level II, the grievant may, within ten (10) days, submit a written request for mediation of the grievance. In this event the District shall, within five (5) days, submit to the California State Mediation and Conciliation Service a written request for the services of a mediator.

1) The function of the mediator shall be to assist the parties to achieve a mutually satisfactory resolution of the grievance. At the outset of this process, the mediator shall schedule a meeting at a mutually agreeable time for the purpose of resolving the matter through mediation.

2) If a satisfactory resolution of the grievance is achieved by means of this mediation process, both parties to the grievance shall sign a written statement to that effect, and thus waive the right of either party to any further appeal for the grievance.

3) The District and the Association have agreed that Level III may be waived by mutual agreement.

- D. **Level Four:** If the grievant is not satisfied with the decision rendered at Level Two, or if no written decision has been rendered within ten (10) days of the meeting with the Superintendent or his designee or if not satisfied with the Level III mediation process, the grievant may, within a 10-day period after the timelines for Level III has elapsed, or mediation has been completed, submit a request in writing to the Superintendent for arbitration of the dispute. An impartial arbitrator shall be selected jointly by the grievant and, the District within ten (10) days of receipt of the written request. In the event that the parties cannot agree, the American Arbitration Association shall be requested to supply a panel of five (5) names. Alternate names shall be stricken until only one (1) remains. The fees and expenses of the arbitrator and a court recorder, if required by the arbitrator, shall be shared equally between the District and the grievant. Additional expenses shall be borne by the party incurring such expenses.

The arbitrator shall have no authority to add to, delete or alter any provisions of this Agreement, and shall limit his decision to the application and interpretation of its provisions. After reviewing the evidence, the arbitrator shall submit to the District and to the grievant, his findings and recommendations in writing. His decision shall be binding unless overturned by judicial review.

4. WAIVER OF ARBITRATION

A grievant may waive the arbitration step and request that the District Board hold a hearing on the grievance and render a final decision.

5. JUDICIAL REVIEW

Nothing in this Article precludes a party from exercising his/her/its constitutional rights to have access to judicial review.

6. GUIDELINES

- A. A grievant may be represented at all stages of the grievance procedures up to the arbitral level by him/herself, or, at his/her option, by a conferee of the Association. If the grievant is not represented by the Association or its conferee, the Association shall still have the right to be present and to state its views at all stages of the grievance procedure. In the event a grievant chooses self-representation, no final resolution of a grievance shall be made by the District until the Association has received a copy of the grievance, any proposed solution, and has been provided an opportunity to file a written response. The Association must exercise its response privilege within ten (10) days of the receipt of the grievance and proposed solution.
- B. Nothing in this Article shall be construed as preventing any party to a grievance from being represented by or seeking the advice and counsel of a conferee of their choice.
- C. All communications required to be in writing shall be served by the United States Mail or delivered personally and shall be acknowledged by a signed receipt notice.
- D. Unit members required to be absent from their duties when directly involved in a grievance hearing as an Association representative or witness shall not suffer any loss of pay.

- E. A grievance file separate from all other employment records shall be maintained at the District Office for each grievance. All written materials relating to the grievance shall be maintained in this file.
- F. Forms for filing and processing grievances shall be prepared by the District Office in consultation with the Association, and copies shall be available at each school site office.
- G. Timelines as stated in the grievance procedure are maximums. Every effort should be made to expedite a grievance as quickly as feasible. If the grievance is filed at a time when summer schedules would make its resolution difficult, its processing may, by mutual consent, be held over until the opening of school in the fall.
- H. A grievance filed against a Level Two supervisor shall have its first hearing at the Level Two step of this procedure.
- I. The Association may, as an Association, grieve a contract right that is inherent to the Association as an entity, but a condition of employment must be initiated by a unit member or members.

ARTICLE VII HOURS AND DAYS OF EMPLOYMENT

1. A unit member is a professional person whose responsibility of employment is based on educational service rendered rather than a specified number of working hours. Not all professional duties can or need be performed at the school site. Therefore, the total length of the unit member day, including preparation time and duty free lunch, shall not exceed 7 hours and 30 minutes per day. The specific times to report to and leave from school will be mutually established at each school and will be indicated in the Faculty Handbook.
2. On days when unit members are scheduled to work but the students are not scheduled to be present, or on days of an emergency release of students or on minimum student days, the work day shall be seven and one-half (7-1/2) hours for all unit members, (inclusive of a thirty (30) minute lunch period) unless otherwise reduced by the District Management.
3. All unit members shall be entitled to a 30-minute duty free lunch period. Unit members may leave the school grounds during their lunch period.
4. Within the above required time period, unit members are responsible for other duties during the day. These duties will be assigned by the Administration as fairly and equally as is possible in meeting the needs of the school.
5. Each unit member will be responsible for participation in one back-to-school night and may be responsible for the supervision of one dance per year. (Refer to Paragraph Eleven (11) for unit members with less than a full-time assignment.)

- A. School site principal may assign six (6) unit members including advisors per dance for only six (6) dances per year. For combined dances (2 per year) the total unit member supervision requirement will be twelve (12). Any additional dances that will require supervision will be acquired by the sponsoring clubs or group, and that supervision will be subject to the approval of the site principal.
 - B. Dance Duty assignments will be made by lottery after positions are filled by volunteers. Class advisors will not be considered volunteers. A unit member selected by lottery to fill a dance duty position will be placed into the lottery for the following year only if there are not enough unit members in the lottery to fill the positions that year.
 - C. Unit members assigned to supervise a dance may trade with another teacher for another assigned duty, i.e., yard duty, lunch duty, bus duty, etc. with the approval of the site principal.
6. Upon reasonable request by the Administration, unit members shall be responsible for other duties such as program development, professional growth activities, parent conference, committee assignments, faculty and district meetings, and special help to students.
7. Each full-time unit member, with the exception of counselors and librarians, at each school shall teach a maximum of five regular teaching periods per day. Each full-time unit member, with the exception of counselors and librarians, shall have (under the six-period schedule) at least one (1) preparation period every day which is duty free and equivalent in length to that of a regular teaching period. During a unit member's preparation period, he/she may be asked to volunteer, but he/she shall not be required to substitute for any other unit member who may be absent, with the exception of a bona fide emergency, such as a unit member's sudden illness during a class. During the consultation period, unit members will be available for student related activities.

In case of the unavailability of a substitute, unit members may voluntarily substitute for other unit members. A unit member may be asked by the site administrator to provide substitute service during his/her preparation period. The unit member shall be compensated according to the following options:

- A. Three (3) periods of accumulated substitutions can be used as one-half (1/2) day leave without regard to reason, subject to prior notice and scheduling approval of the site principal. Scheduling decisions by the site principal shall be based upon reasonable consideration of the availability of coverage, or special circumstances, such as staff development days or accreditation activities, requiring the presence of the bargaining unit member. If the date requested is denied by the site principal, an appeal may be filed with the superintendent.
- B. Five (5) periods of accumulated substitutions can be used as one (1) day leave without regard to reason, subject to prior notice and scheduling approval by the site principal. Scheduling decisions by the site principal shall be based upon reasonable consideration of the availability of coverage, or special circumstances, such as staff development days or accreditation activities, requiring the presence of the bargaining unit member. If the date requested is denied by the site principal, an appeal may be filed with the superintendent.

C. Compensatory days for substitute periods may be accumulated from year to year, however, no more than ten (10) compensatory days may be carried over into the next school year, and no more than five (5) compensatory days may be used consecutively.

8. The number of scheduled work days for unit members shall be one hundred eighty-four (184) days, of which no more than 180 will be student contact days, as set forth in the school Board's adopted "school calendar". Prior to the first student contact day, there will be two days of in-service of which one half of one day shall be reserved for teacher classroom preparation. There shall also be one day of in-service between semesters, and one day of in-service on the closing date of school. (If extended year funding is withdrawn, the number of work days will revert to those specified in the 1983/84 contract.)

For the in-service day between semesters, the District may have up to 2.5 hours for district in-service. The remainder of the day will be allocated for certificated staff to prepare for the next semester. The district agrees that if there is not a need for an in-service, the entire day will be designated for teachers to prepare for the next semester.

9. Counselors and Librarians: Each full time equivalent counselor/librarian shall work the 184 days determined by the annual school calendar. Each counselor/librarian shall be entitled to a thirty (30) minute duty-free lunch period during the 7-1/2 hour work day. An additional maximum of ten (10) work days if requested by the administration will be provided at the individual's daily rate of pay, or the employee may opt to take compensation day(s) off in lieu of receiving their daily rate of pay, subject to prior notice and scheduling approval of the site principal. Scheduling decisions by the site principal shall be based upon reasonable consideration of the availability of coverage, or special circumstances, such as staff development days and accreditation activities, requiring the presence of the bargaining unit member. If the compensation date requested is denied by the site principal, an appeal may be filed with the superintendent.
10. The opening date of school, the closing date of school, and the established holidays shall be set by the District Superintendent in consultation with the Superintendents of the elementary feeder school districts, neighboring districts and Butte College.
11. PART-TIME EMPLOYMENT: Part-time employment is the number of regular teaching periods taught based on the five-period teaching day.

A full-time unit member's day is 7 ½ hours, including a 30-minute duty free lunch period. Any part-time unit member should be responsible for time on campus commensurate with the percentage of pay said unit member is receiving. Since a 7 ½ hour day converts to 450 minutes, and since a duty free lunch of 30 minutes reduces the actual work time to 420 minutes, this is the basis upon which the following calculations are made.

- 1/5 time unit member (.2 FTE) is responsible for 84 minutes and no duty, but one back-to-school night. ($420 \times .2 = 84$ minutes)
- 2/5 time unit member (.4 FTE) is responsible for 168 minutes and one dance and one back-to-school night. ($420 \times .4 = 168$ minutes)

- 3/5 time unit member (.6 FTE) is responsible for 252 minutes and full duty. ($420 \times .6 = 252$ minutes)
- 4/5 time unit member (.8 FTE) is responsible for 336 minutes and full duty. ($420 \times .8 = 336$ minutes) + 30 minute lunch
- 5/5 time unit member (1.0 FTE) is responsible for 420 minutes and full duty. ($420 \times 1.0 = 420$ minutes) + 30 minute lunch

12. If any State and/or Federal required testing necessitates a schedule change in order to accommodate a testing schedule, paragraph #7 of Article VII will be suspended for the duration of the test.

**ATTENDING IEP's AND SECTION 504 CONFERENCES
(per the May 2013 Settlement Agreement)**

1. Bargaining unit members shall attend IEP and Section 504 conferences for students that are the responsibility of the OUHSD ("District") (even if students attend programs outside the District), as required by state and federal law.
2. IEP and Section 504 meetings shall be scheduled during the regular work day. Such meetings may be scheduled during any instructional, consultation or preparation periods. Any bargaining unit member shall be allowed to leave the meeting when the IEP or Section 504 team determines that they are no longer needed whether or not a substitute teacher covers his/her class.
3. If the District believes an IEP or Section 504 meeting may extend in any part beyond the regular work day, it shall ask for volunteers to attend such meetings. If more than one bargaining unit member volunteers, the District shall allow any unit member who volunteers to attend and will pay the unit member(s) according to paragraph 6 below.
4. The District may direct bargaining unit members to attend IEP and Section 504 meetings that take place in any part after the regular work day only under the following circumstances:
 - a. The District has sought volunteers among the student's teachers and found none
 - b. If no bargaining unit member volunteers, then the District must provide five (5) school days notice to the unit member that it directs to attend such a meeting. Any bargaining unit member shall be allowed to leave the meeting when the IEP or Sections 504 team determines that they are no longer needed.
 - c. If a volunteer(s) come(s) forward after a bargaining unit member is directed to attend such a meeting, the District shall utilize the volunteer(s) instead.
5. A bargaining unit member who attends an IEP or Section 504 meeting during his/her preparation period at the direction of the District shall be compensated by a comp period.

6. A bargaining unit member who attends an IEP or Section 504 meeting that extends in any part beyond 3:15 p.m. shall be compensated the minimum amount of \$50. If the meeting extends beyond one hour in length after the end of the contractual work day, the additional time shall be compensated at the rate of \$50 per hour for each fraction of an hour that the meeting lasts. The \$50 rate of pay shall be increased by the same percentage as any future percentage wage increase of the salary schedule for the bargaining unit. For the 2014/2015 school year, this rate is \$54.59. For the 2016/2017 school year, this rate is \$58.48.
7. Under no circumstances shall a bargaining unit member be required to stay at any such meeting after 5:00 p.m.

**ARTICLE VIII
CLASS SIZE**

The District shall have discretion to determine workloads for all unit members employed subject to the following limitations:

1. Unit members (excluding Counselors, Librarians, Athletic Directors, Activity Directors, and Specially Funded Programs) shall have a student contact cap as follows:
 - 173 students to 1 unit member
 - 195 students to 1 unit member in Physical Education
 - 200 students to 1 unit member in Band/Music
- A. Unit members may be assigned a maximum of thirty-six (36) students per class for each class in a five (5) period teaching day. Physical Education teachers shall have a cap of forty (40) students per class for a five (5) period teaching day. Unit members in a continuation high school or community day school may be assigned a maximum of twenty-three (23) students per class in each class in a five (5) period day.
- B. Individual class sizes may exceed the maximums set forth in Section A of this article by mutual consent of the individual unit member, the subject area coordinator, and the site administrator. It will be executed in writing with copies filed at the site and with the OSTA Executive Board. The waiver will be in effect for one (1) semester. A waiver will not be permitted for unit members in Physical Education to go beyond the forty (40) students per class cap.
- C. Assignment of personnel shall be such that workloads are equalized within practical limits.
- D. Within any given subject area, a unit member may be assigned a class load of fewer than 173 students per day. The difference in students will be absorbed by the school site.
- E. Part Time Employed: A unit member's work load that is less than full time (FTE) will be computed as follows:
 - 80% = 4 periods (138 students)
 - 60% = 3 periods (104 students)
 - 40% = 2 periods (69 students)
 - 20% = 1 period (35 students)

- F. OUHSD shall have fifteen (15) school days beginning with the first day of the school student calendar year to bring all classes within the class size provision noted above as it relates to the student contact caps and the maximum number of students allowed per period.
2. Student to unit member ratio for Adult Education: See Article XIV.
3. The District shall employ a minimum of six (6) full time unit members as counselors beginning with the 2006/2007 school year. Initially three (3) of these counselors will be placed at each of the comprehensive high schools. Should enrollment at either of the comprehensive high schools change dramatically, the Association and District will meet to discuss alternate staffing patterns.
4. The District shall employ a minimum of one (1) librarian.

**ARTICLE IX
SAFETY CONDITIONS OF EMPLOYMENT**

1. Unit members shall not be required to work under unsafe or hazardous conditions or to perform tasks which endanger their health, safety or well-being.
2. Unit Member Protection
 - A. The unit member and/or his/her supervisor shall report to the appropriate law enforcement authorities any incident in which said unit member is attacked, assaulted or menaced by any person or persons. A written report shall be forwarded to the Superintendent who shall act as liaison between the unit member, the police, and the courts. The unit member, upon reasonable request, shall be furnished all necessary information relating to the incident or persons involved.
 - B. If criminal or civil proceedings are brought against a certificated unit member alleging that he/she committed an unlawful act in the performance of his/her duties, the Board shall defend said unit member in said action or prosecution as required by law (Government Code Article 4, Section 825), provided that the action is not brought by the Board or its agent.
 - C. The Board shall continue to provide, at no cost to the unit member, total liability insurance coverage in the amount of not less than \$1,000,000 in order to protect unit members from personal loss arising from any civil suit(s) brought against them in the performance of their duties.
3. A written description of the rights and duties of all administrators and unit members with respect to student discipline, including the use of corporal punishment and the rights of suspended students, shall be presented to each unit member in writing in the teacher's handbook.
4. Nothing contained in said policy shall in any way limit the right of the unit member to use reasonable means, in connection with his/her employment, to protect himself/herself from attack, to protect another person or property or to quell a disturbance threatening physical injury to others. "In connection with his/her employment" includes, but is not necessarily limited to, any approved voluntary activity, field trip or school-sponsored event. The Board shall not take action against a unit member who uses said reasonable means.

5. All unit members will report to the principal or his/her designee any practice or condition which poses a threat to the health or safety of any person associated with the school district and will promote safe and sanitary conditions in their teaching or work areas of responsibility.

ARTICLE X TRANSFERS

1. A **transfer** refers to any action which results in the movement, relocation or reassignment of a unit member to another campus which may be judged to meet fluctuations in enrollment, instructional requirements or the desire of a unit member for a change of assignments.
2. A transfer may be unit member-initiated (**voluntary**) or Board initiated (**involuntary**).
3. Whenever a vacancy for a certificated position occurs in the District at any time other than the end of the school year, including vacation periods, all unit members shall be notified thereof. For all vacancies which will occur at the end of the school year, the following procedures will be utilized.
 - A. Not later than March 15, a list of all known vacancies which will occur shall have been published by the Superintendent and copies shall be given to the Association president or his/her designated representative who shall post them in the main offices and in the faculty rooms of each school in the District. An updated list shall be made available and posted each succeeding two (2) weeks.
 - B. Applications for transfer filed by District personnel within six (6) working days of each posting shall receive first consideration.
4. **Voluntary Transfer:** A unit member may request a voluntary transfer to take effect during the school year or at the beginning of the next school year. When the request is made for a transfer to take effect during the school year, it shall be made within ten (10) working days of the notice of the vacancy.
 - A. The filing of the request for a transfer is without prejudice to the unit member. It shall not jeopardize nor shall it be construed as an indication of dissatisfaction with his/her present assignment.
 - B. No reassignment, however, shall be requested before a conference has been held by the unit member with the principal of the school and/or the chairman of the department to which the unit member is currently assigned.
 - C. Requests for transfer on file prior to posting of vacancies shall also be given consideration.
 - D. When more than one (1) unit member applies for the same position, the unit member who has seniority in the District and who has the proper credentials to perform the required services shall be given first consideration for the transfer.
 - E. Voluntary transfer requests shall be given priority consideration over involuntary transfers.

ARTICLE XIV
ADULT SCHOOL EMPLOYEES

District and OSTA have agreed to the provisions of this article in recognition of the special conditions involved in the Adult Education Division (hereafter "Adult Education"). Adult Education is conducted by a combination of full-time and part-time hourly-compensated employees trained in the methods to meet the learning needs of the District's youth and adult population in the areas of essential skills, life learning, and vocational and occupational training. It is understood that apportionment for adult school programs is gained through teacher-student contact hours. While it is recognized that adult school personnel may be concurrently employed in other district programs, including, but not limited to, grades 9-12. It is the intention of the parties that the employment relationship described in this article, and the rights that flow there from, are separate and distinct from the rights that may accrue to the individual from other employment in the district. If there is any conflict between the terms of this article and the terms of other provisions of the agreement as they apply to Adult and continuing education, this article shall prevail.

1. AGREEMENT AND RECOGNITION

- A. All personnel in adult education programs shall be employed under contracts appended to this agreement. Employee contracts will be issued prior to each Adult school session. These contracts shall specify the duration of the employment, and shall terminate on or before June 30 of the year in which they are issued. If the duration of the contract is to extend beyond June 30, a second contract shall be issued to cover the balance of the employment period. Teacher contracts must be signed and returned to the Principal or designee within ten (10) business days of issuance, or the contract is null and void. All teacher contracts require board approval.
- B. The contract term for a person hired to complete the term(s) of employment of another person shall be for the duration of the original term(s). All contracts of employment shall be terminable at any time prior to expiration, but only for lack of funds, conclusion of special funding, elimination or reductions of the educational offering, insufficient enrollment or attendance, unsatisfactory performance, or any of the causes listed in Education Code 44932 et. seq.
